## **OH CHAPTER T**

**[www.chapter-t-oh.org](http://www.chapter-t-oh.org)**

Hello,

We are writing to you on behalf of the Gold Wing Road Riders Association (GWRRA) to ask for your help. GWRRA is an international, Not for Profit, motorcycle organization committed to Friends, Fun, Safety and Knowledge, based in Phoenix, AZ with local chapters throughout the world. Our chapter, OH Chapter T, is located in Akron, OH and is also known as the Rubber City Riders.

Saturday, April 25, 2020, is our annual fundraiser auction with a pasta dinner at the Randolph Community Center, 1639 SR 44, Randolph, OH. We are requesting your support through contribution(s) in any manner that you can, such as merchandise, services or gift card/certificates. A portion of the money raised will be donated to local charities such as Center of Hope and the Alzheimer's Association. The remaining funds will sustain our chapter and allow us to continue to do charitable works within the community, as well as make all motorists aware of motorcycles and road safety. We would greatly appreciate your kind and generous donation.

In return for your generous donation, we will give you a 6 month advertisement in our monthly newsletter. You need only supply us with your business card. Our newsletter is posted each month on the above website, and also on the OH GWRRA website at [www.ohiogwrra.org](http://www.ohiogwrra.org).

Thank you in advance for your contribution.
